Comment.

25X1

In July and August, 538 and 350 cars respectively were loaded in Frankfurt/Oder as compared with 381 cars in June. The larger part of the loadings fall to the share of the army supply depot [redacted] in Frankfurt/Oder, which loaded 288 cars in July and 193 in August. The total number of shipments of 1,333 cars in July and 1,990 cars in August handled by the railroad dispatching office [redacted] in Frankfurt/Oder emphasize the importance of this transport agency which redispaches individual supply shipments inside the [redacted]
